THE COVER DESIGN

The Grist Mill is on the River Road in East Clarendon, next to the Covered Bridge. It was built circa 1898 by Nicholas Powers to replace an old grist mill that ground flour out of wheat. This grist mill's main purpose was to grind corn and grain.

The artist is Marilynn Verna (Wingfield) Candlish, who grew up in the Town of Clarendon and has grown to love the old buildings that still stand. Now residing in Rutland, she teaches art at Whitehall High School, New York. She is a member of the of the Rutland Area Art Association, the Southern Vermont Art Association, and exhibits at the Chaffee Art Gallery and the Stratton Arts Festival.

SELECTMEN'S REPORT

We hold meetings on the second and fourth Mondays of each month at 7:30 P.M. These meetings are usually held at the Town Clerks Office with the exception of special Selectmen's meetings, which are held at the School. We would like to encourage members of the Community to attend these meetings.

A summary of our 1974 activities is as follows:

1. The supplemental road money voted at the last Town Meeting for Class 3 road projects was spent as follows:

Rd. No.	Description of Project	Est. Cost
12	Apply crushed slate to hill opposite Springs School	$ 236.15
12	Clean Ditch on north side of road beyond Leon Parker. Install 4 ft. extension on large culvert.	174.46
12	Move Austin's mail box and ditch present box location.	
12	Widen and raise the level of the road south of Austin's	1,224.25
9	Clean ditches south of the fork in the road.	
9	Gravel the road south of Pratt's new house.	706.00
9	Dig up and relay culvert with concrete header	120.00
21	Dig out water bars.	320.25
22	Install new culvert south of Chippenhook turn.	298.50
22, 23	Move west side ditch further west and install culvert across driveway	267.06
23	Widen road between junction of 22 & 23 and first house. Move north bank into the road. Ditch the road.	857.20
11	Cut back the east bank and install culvert between Potter and stone house.	243.50
11	Dig out ditches between Potter and Raiches, lower culvert. Gravel the road.	214.50
11	Ditch east side of road opposite Raiche's barn.	98.50
11	Reset culvert opposite trailer.	73.00
25	Remove two stumps and reset culvert.	262.00
39	Pin ledge and crib west side of road at north end of covered bridge.	1,286.00
39	Remove dead tree and move pole back 15' at south end of covered bridge.	1,034.70
39	Gravel the road by Bob Lind.	
42	Ditch the road, install 20' culvert and remove white birch tree.	1,080.26
4	Cleaning Cold River Road.	373.51
8	Cleaning ditch and grading.	681.75
28	Gravel and grading.	299.20
19	Gravel and grading.	149.21
		$10,000.00

2. Bridge No. 26, located on Town Highway No. 23, was severly damaged last spring by water and frost. A temporary bridge was built by the State on top of the old bridge, until a new bridge can be constructed in the Spring of 1975. The new bridge will be 31 feet long and will consist of steel I-beams, a plank deck and new abutments. Carl Lanfear has been appointed foreman for this project, the cost of which is estimated at $25,000, with the Town's share being $5,000.00.

SELECTMEN'S REPORT (Continued)

3. The Town salt shed and sand pile have been moved from the top of Walker Mountain to the new Town Garage site located at Clarendon Flats. The capacity of this building is approximatey 50 tons of salt. This will enable the Selectmen to purchase salt by the trailer load, if it is more economical. The shed was built by the Town crew at a cost of approximately $1,000.

4. We have reviewed plans for the construction of an equipment shed (30' x 45') to be erected on the Town Garage site. This would be used to house the remaining road equipment that is presently being left outside.

5. The new Austin-Westin Road Grader was delivered last September. This replaced our old grader which was used by the Town for approximately 22 years. An attempt was made to purchase the grader through the State, but this was not feasible. The purchase price was more than anticipated, but it was felt that the model purchased would provide the same excellent service that we have been used to in the past.

6. We are investigating the purchase of a new truck to replace the 1971 International which has literally reached the end of the road. The new truck will be considerably heavier than has been purchased in the past and should give better service.

7. It was voted at the last Town Meeting to investigate the setting up of an equipment fund to be used for the replacement of old equipment. We have included in the budget the sum of $10,000. for this fund in 1975. This amount was determined by using the hourly equipment use rates established by the State of Vermont, as follows:

	1974		
Road Grader	— 888 hours @ $6.60	equals	$ 5,860
Loader	— 516 hours @ $8.00	equals	4,130
Trucks	— 2,666 hours @ $4.50	equals	12,000
Snow Plow	— 240 hours @ $.75	equals	180
Less: oil, gas & repairs		equals	-12,170
NET EQUIPMENT COST			$10,000

8. Discussion at the last Town Meeting indicated that the voters favored updating the property appraisals. Therefore, we have authorized the Listers to proceed with this updating at a cost of approximately $4,000.00.

9. Identification signs for all roads in the Town are being made by James Tiraboschi at a cost of approximately $300. and should be installed by Spring.

10. During the past two years, we have received a great deal of criticism regarding the condition of the Town Cemeteries. In 1974, ap-

proximately $1,150. was spent on cemetery care and this barely scratched the surface. We have concluded that a Cemetery Commission was necessary to oversee what has become a major project. The following people have been appointed to this Commission:

Ruth Hebert, Zeola Raiche, Donna Gilman, Betty Dubeau, Lillian D'Aniello, Irene Hill (Consultant)

One of the first items on the agenda for this new Commission is a study of the projects necessary to bring our cemeteries up to proper condition. If you wish to contribute your time and energy to this project, please contact any of the members of the Commission.

11. During the year, we attended several hearings in Rutland before the District Environmental Commission related to Commercial and Industrial development in and adjacent to the Town.

Our efforts assisted in bringing the new Russ Smith auto sales agency to the junction of New Route 7 and Route 103. This involved no small amount of work considering the opposition which developed against this project during the environmental hearings.

One of our biggest continuing projects in the future will be the development of a larger tax base from which to support our vastly increased revenue requirements. This will be done by attracting clean commercial and industrial construction in Town. One of our 1975 projects will be to catalogue what we have to offer to new businesses looking for a place to build.

MARJORIE J. SOINE

CLARENDON FIRE ASSOCIATION

In 1974 the Clarendon Volunteer Fire Department was again very responsive to the needs of the people of whom the department serves. We answered a total of 46 alarms. They were as follows:

House	6	Propane	2
Barn	6	Slab	1
Trailer	4	Shed	1
Car & Truck	4	Store	1
Grass	11	Chimney	1
Camp	1	Car Accidents	4

Of these 46 fire calls —

Possible arson	5
Mutual Aid	5
False alarms	3

There were a total of — 140 truck hours
— 1174 man hours

As you can see we certainly have a group of citizens that are willing to take of their own time and at their own expense a tremendous and devotion toward the well being of the townspeople and property which is so dear to each and everyone of us.

This year we are submitting a budget which will bring to reality the amount of time and energy that is shown by the members, both men and women, and also a large number of townspeople towards the financial success of our endeavors.

Our new truck which was to have arrived in 1974 is now expected during the Spring of 1975. We have borrowed $15,000.00 through FHA in order to finance this piece of equipment. In the budget you will see a figure of $5,000.00 for the truck fund of which $1452.00 each year is to be our debt payment on the new truck and the rest is to be set aside for future growth and replacements as they become necessary.

Respectfully submitted,
PHILIP PINKOWSKI, SR., Pres.
ALAN G. RIDLON, Chief

REPORT OF THE CLARENDON BOARD OF LISTERS

Both the Board of Selectmen and the Board of Listers of Clarendon have felt there were too many inequities of property appraisals in the town. Therefore at the direction of the Selectmen and the agreement of the Listers it was decided to do a complete update of appraisals to be ready for the 1975 Grand List book.

Most of these inequities were caused because there is not sufficient time between town meeting and the publication of the Grand List to review any established properties and to appraise all new properties and land sales that have transpired in any given year.

The goal, of course, is to have all taxpayers pay their fair share of taxes and that we feel that everyone wants to pay his fair share.

In order to do this we are visiting each property, checking for structural changes and improvements and proper acreage. In many cases the only way to determine acreage is to ask the landowner, as many deeds do not include acreage.

In accordance with state directives each property owner will receive notification of his new appraisial and dates and time when grievances will be held (by appointment).

Any grievance must be in written form, whether you plan to appear in person or not, delivered to the Listers on or before the grievance meeting. Dates of grievance will be published in notice.

We plan to notify property owners of their new appraisals by publishing a list of all properties in booklet form thereby giving the property owner the opportunity to compare his property appraisal with appraisals of similar properties.

Hopefully this will reduce the number of grievances.

Respectfully submitted,

Board of Listers of
Town of Clarendon

KENNETH WILBUR
ROBERT DEZERO, JR.

RUTLAND AREA VISITING NURSE ASSOC., INC. 1974 ANNUAL REPORT

It is my pleasure to submit this report regarding services rendered by the Rutland Area Visiting Nurse Assoc., Inc. to your town for 1974.

Our program includes Skilled Nursing, Physical Therapy, Speech Therapy, Occupational Therapy and Home Health Aide services. This is a part-time service in your home for you and your family.

We also coordinate with the State Public Health Nurses to provide Well Child pre-school clinics and Handicapped clinics to your areas. We give health guidance and preventive teaching to families and new mothers. We also have Pre-Natal classes for expectant parents. We provide instruction in the care of the patient in the home as well as giving direct bedside care.

We are always available if you have other health problems that we could help with. We make many calls to evaluate situations and report back to physicians. This has proved to be very helpful to all the area physicians.

Our main office is in Rutland, but we have branch offices in Hydeville and Brandon.

Total direct bedside care visits that were provided to your community during 1974 are as follows:

Skilled Nursing Care 141 — Home Health Aide 208

Many other visits for health teaching, guidance and evaluations of need were also made.

We welcome all suggestions to improve service to your community, so please feel free to contact us or come and visit our office to become better acquainted with our programs.

Thank you for your support in 1974 and we are looking forward to another busy year.

Respectfully submitted,

EVELYN MORGAN, R.N.
Director

REPORT OF THE SUPERINTENDENT OF SCHOOLS

This annual report to the School Directors and voters of the Clarendon School District is the twenty-second one I have submitted. This will be the last one since Clarendon is to withdraw from the Rutland Southwest Supervisory Union on June 30, 1975, and join Wallingford and Shrewsbury in the new Rutland South Supervisory Union.

As I look back over the years and think of the events that have taken place, there is much satisfaction in the progress that has been accomplished. During the school year 1953-1954, Clarendon had six rural schools with a total enrollment of 204 pupils. In the present school year Clarendon has a modern elementary school housing grades one through six and an adjoining two-room building for grades seven and eight. The enrollment this year is 345 pupils in grades one through eight. A new union high school building is being constructed.

In the school year 1975-1976, the elementary school will house only grades one through six. The union high school will enroll grades seven through twelve.

The elementary staff will be reduced by three teachers. It probably will be necessary to use the adjoining two room building to house the sixth grade.

Eliminating the high school tuition figure and the cost of the three teachers from the elementary school budget will reduce that to a figure of $256,933.50. The amount of money to be raised locally is $39,232.25.

Pupils attending high schools this current year are as follows:

Rutland High School	88
West Rutland High School	19
Otter Valley Union High School	1
Wallingford High School	13
Total	121

The enrollment at the Elementary School has increased each year from 280 the first year to the present figure of 345.

In closing this report, I would like to express my appreciation and thanks to the School Directors, teachers and parents that have worked for good education in Clarendon over the years. It has been a delight to know and work with all the fine youngsters in the school.

Respectfully submitted,
EDSON E. PHELPS
Superintendent

ANNUAL TOWN MEETING

March 4, 1974 7:30 P.M. Clarendon Elementary School

Moderator George Holden opened the Meeting and read the Warning. Articles voted on Monday night are as follows:

Article 1. — Motion made and seconded to accept Town Officers report. Voted by acclamation.

Article 3. — Motion made and seconded to vote up to $100 for resurfacing. Voted by acclamation.

Article 4. — Motion made and seconded to vote a sum of money for Town Highways. Voted by acclamation.

Article 5. — Motion made and seconded to vote money for retreatment. Voted by acclamation.

Article 6. — Motion made and seconded to pay the taxes to the Treasurer. Voted by acclamation.

Article 7. — Motion made and seconded authorizing the Selectmen to borrow money for temporary Town use. Voted by acclamation.

Article 8. — Motion made and seconded and vote held open. Discussions as to why article was in warning. It passed last year.

Article 22. — Motion made and seconded to set up a fund based on the hourly rate used. Fund to be used to purchase new equipment for Town use. Vote held open. Discussion followed and the words **based on the hourly rate used deleted.** Motion reads to set up an equipment fund to be used to purchase new equipment for Town use. Voted by acclamation.

Motion made and seconded to have delinquent tax list printed in Town Report again next year. Voted by acclamation.

Motion made and seconded to have candidates introduced at Annual Pre-Town Meeting. Voted yes, one no. Suggestions made to have Candidates night separate from Town Meeting.

Resolution (attached) presented by Attorney Harlow read by Moderator. Motion made and seconded to have Resolution adopted. Voted by acclamation.

Article 8. — Motion made and seconded to lay Article 8 on the table. Voted by acclamation.

Motion made and seconded to have meeting adjourned until Tuesday, March 5, 1974 at 10:00 A.M. Voted by acclamation.

ANNUAL SCHOOL DISTRICT MEETING

March 4, 1974 7:30 P.M. Clarendon Elementary School

Moderator, George Holden opened the meeting and introduced Chairman Leland Congdon who read the Articles warned.

Article 4 questioned as to wording being proper by the use of the word shall instead of will. Mr. Congdon explained that Article 4 was on warning by petition and worded as petitioned.

Motion made and seconded to adjourn meeting until Tuesday at 10:00 A.M. March 5, 1974. Voted by acclamation.
